Best-selling author and founder of *Charisma* magazine

**BOOK HOOK:** There's only one power big enough to help us survive perilous times.

**VALUE STATEMENT:** After reading this book, you will have the confidence to walk in the victory Christ died for and begin living exceedingly and abundantly beyond anything you ever could have hoped for or imagined.

**BRIEF SUMMARY:**

There is a power so great it can help you not only survive but thrive in this crazy world, a power that can give you joy and peace, result in miracles, and make you victorious no matter what. It's a power that comes from the third member of the Godhead, the Holy Spirit. It's the power that took the teachings of a young carpenter from Galilee and turned upside down the most ruthless empire of its era, overcoming the paganism that went with it.

It's a power that seemed dormant for almost two millennia but has been restored to the church as was told in the Bible. And it's available today to help you understand the future, have faith to believe for miracles, and know unspeakable peace and happiness no matter your circumstances.

*Spirit-Led Living in an Upside-Down World* takes you on a journey to help you understand how you can experience this power and know the Holy Spirit intimately. After covering the work of the Holy Spirit for more than four decades as a journalist, Stephen E. Strang helps readers understand that power is there for the asking—even if others misuse or ignore it. It's there to give you victory over the forces of evil, help you stand strong when the culture wants you to compromise, and give you the tools to prosper in body, soul, and spirit.

When he was a young newspaper reporter, Strang experienced this power in a way “exceedingly abundantly above” all he could have asked or thought (Eph. 3:20), and you will too.

This power will open your spiritual eyes to help you hear from God, deepen your prayer life, and explain the groanings that cannot be uttered. Sharing stories from his own experience and from dozens of modern heroes of the faith, Strang will uplift you and inspire you to

- connect with God in new, fresh ways;
- be a powerful influence on your family, friends, and community;
- deepen your faith so you can move mountains;
- learn to be led by the Spirit to uncover your heart's deepest desires; and
- overcome challenges and fulfill your dreams and purpose in life.

*Spirit-Led Living in an Upside-Down World* is not only one of the most important books you'll ever read but also one of the most profound. It will reveal the most stunning secrets and truths behind this power—the power of God that is at work regardless of how upside down the world seems to get.
